Welcome to the Hawaii Dental Association Convention 2017, the premier convention for organized dentistry in Hawai‘i.

More than 100 exhibitors will present the latest information on products and technology affecting your practice. CE sessions held by nationally recognized speakers will provide you with the most current scientific and technological information pertaining to dentistry today.

We want to thank you for attending and supporting the Hawaii Dental Association and we want to thank the speakers and sponsors who have so generously provided support to the Hawaii Dental Association Convention 2017.

Mahalo,

Derek Ichimura, DMD
Jaclyn Lum, DDS

CE Information

Hawaii Dental Association is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The Hawaii Dental Association designates this activity for twelve (12) continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

ADA C·E·R·P® | Continuing Education Recognition Program

CE Disclaimer

The Continuing Education Program of the Hawaii Dental Association is to provide attendees with a rewarding continuing education experience. However, neither the content of a course nor the use of specific products in lectures should be construed as indicating endorsement or approval of the views presented or the products used by the Hawaii Dental Association or by any of the respective subsidiaries. Speakers are required to disclose to participants any financial, commercial or promotional interest in a product or company that may influence their presentations; however the Hawaii Dental Association shall not be liable for a speaker’s failure to disclose such interest. Please be advised that courses, speakers or scheduling may change without notice.

CE Certification Information

Your bar coded name badge acts as your ticket for all of your registered classes. Your bar code will be scanned as you enter the class to confirm your attendance and record your CE credits. To ensure proper CE credit reporting, be sure to have your badge scanned on entry to every class.

Printable Online CE Certificates

You will receive an email by **March 1, 2017** providing the online link and ID number (also found on your badge) that you will need to access and print your CE certificate.
